About us..

Established in the year 1985 Patson Exports is one of the distinguished manufacturers & exporters of PP woven fabric rolls, wrapping fabric and sacks of different kinds. Also, we specialize in 500-1500 denier fabric used for fine wrapping. Due to our impeccable track record of providing a varied range of quality products, we have carved a niche for ourselves in the industry. All our products are subjected to stringent quality checks in order to ascertain that highest international standards are duly followed.

Backed by hi-tech technology and a dexterous team, we are able to produce world class PP woven fabric roll, wrapping fabric and sacks. Our quality products have enabled us to increase our client base. We not only deliver within national boundaries but also export to Mauritius, Singapore, Ireland, Middle East, Mozambique, Tanzania, South Africa and Sudan. Apart from these, we also export to the nations like Latin America, Spain.

The catalyst for the success of our organization is the support from our mentor, Mr. Romit Patel. He has industry experience of many years and has in-depth knowledge in this domain. Under his able guidance, we have fulfilled expectations of clients in an efficient manner.
